

New Slogans for Mississippi, the Fattest State in the U.S.

by Baron von Funny

This week, the annual report on nationwide obesity rates was released, and for the fifth year in a row, Mississippi was named the fattest state in the U.S. After so many years of this dubious honor, it's time for The Magnolia State to embrace its new identity.

New Slogans for Mississippi, the Fattest State in the U.S.
