

Rejected Winter Olympics Events

by Baron von Funny

The 2010 Winter Olympics are in full swing in Vancouver, with audiences around the world enjoying figure skating, skiing, hockey, and even curling. But thanks to the International Olympic Committee, there are many more events that will never see the light of day...

Rejected Winter Olympics Events

- Death Luge (*Jameson*)
- Cross-Country Peeing (*Mike*)
- Competitive Seasonal Affective Disorder (*Tenessa*)
- Attempting to Keep a Straight Face While Listening to Canadians Try to Talk Like Regular People (*Joe*)
