

### **NFL 2011 - Week 12**

by Joe Mulder

Last week: 6-5-2 Overall: 63-75-6

Tough week; working a 6-5-2 record during a week like that feels kind of like when you manage to get 20 in blackjack against a hot dealer and she turns up two face cards; you're really just happy to get a push.

PACKERS @ Lions +6.5

Dolphins @ COWBOYS -7

49ERS @ Ravens -3.5

So there's really no way to prove it, but I went 1-2 in the Thanksgiving games. I'm just going to enter this week's picks into the record, so they're here, and I'll be back with a full column next week. So fear not, dear reader(s?).
