

Least Popular Films at the Cannes Film Festival

by Baron von Funny

The Cannes International Film Festival, an annual event held in Cannes, France and largely considered to be the most prestigious film festival in the world, opened this week. And while most of the attention is given to the movies in competition for the Palme D'Or, the award given to the director of the best feature film, there are always a few titles that seem oddly out of place...

Least Popular Films at the Cannes Film Festival

- The Tree of Life 2: Treepocalypse* (Brandon)
- Ernest Saves Vichy France* (Jameson)
- National Lampoon's Boob University* (Joe)
